

**PLEASE READ**

No one has volunteered to host the coffee for October, so this is the deal. I will be hosting. It will be a simple “Meet & Welcome New Neighbors” and hopefully we will have some of our summer travelers back home. Maybe they will have a few fantastic stories to share with us. I’m sure someone will be available to share information on our October Social. Remember MAY AND SEPTEMBER SOCIALS ARE AVAILABLE TO HOST. ALSO, there will be a sign-up sheet for our 2025 Coffees.

**I will be serving a Continental Coffee-Tea with Your Provided Fruit.**

**I will also be taking the RSVP’s. PLEASE RESPOND!**

**If you are hoping there will be a nice Hot Egg or other Hot Savory Dish You better bring it!  
Looking forward to hearing from you.**
